Main dishes / Ireland

haddock fillet with turnip and potatoes · Ireland

Gently cooked fish, potatoes and turnip make a practical Ireland-inspired dinner.

Time 40 min **Servings** 4

What you'll need.

- ☐ 600 g boneless haddock fillet
- ☐ 700 g peeled potatoes
- ☐ 500 g turnip
- ☐ 30 ml neutral cooking oil
- ☐ 15 g wholegrain mustard
- ☐ 10 g fresh parsley
- ☐ 10 ml apple cider vinegar
- ☐ salt and pepper to taste

Let's make it.

01 Cut the potatoes into even pieces and boil for about twenty minutes until completely tender.

02 Clean and chop the turnip, then boil or steam for 12 minutes until cooked.

03 Heat the oil in a frying pan. Pat the fish dry and place it carefully in the pan.

04 Cook the boneless haddock fillet in a separate pan to at least 63°C at the centre; the fish should flake easily.

05 Plate the fish, potatoes and vegetables. Loosen the listed flavourings with warm cooking water and spoon over.
